CASINO *Night*

Dear Friends,

In games of chance, the house usually walks away the winner, but when the house is committed to a future with fewer women in need - EVERYBODY WINS!! Get ready for a fun evening of high stakes (and zero risk) casino games with proceeds benefiting Council of Churches' Safe to Sleep program.

Safe to Sleep is the area's only emergency shelter for women experiencing homelessness. Last year over 450 women found rest and refuge at the shelter, but Safe to Sleep is so much more than a break from the harsh reality of homelessness, it is a place where women can start fresh and find hope for a better tomorrow. The Safe to Sleep team meets women where they are and works to create a personalized path from scarcity to security. How do we do it?

With partners like YOU!

On the next page you will find sponsorship opportunities for our 2023 casino night ...all of which include exclusive VIP access as well.

With each ticket to the event, attendees receive \$5,000 in "casino cash" which they can use to test their skills, wow their friends, and compete for fabulous prizes - all for a great cause. VIP ticket holders get even more ways to play!

Will you join us for one night of food and fun to provide another year of safe nights for the ladies we serve?

My money's on "YES"!
