

LET'S DO A FOOD DRIVE

Hello there, Hero!

Okay, so you may not be wearing a cape but there's no doubt you can save the day for someone!

Over 50,000 people in Greene County & surrounding areas are unsure if they'll have enough food to feed their families this week. According to Feeding America, 1 out of every 8 people in our area needs the help you are uniquely equipped to give. To meet that need, the community needs a hero, and you can be that hero!

Council of Churches of the Ozarks (CCO) & the Crosslines program are currently collecting food to help feed our neighbors. Crosslines accepts everything from canned soups to canned vegetables, canned fruits, crackers, and the always delicious peanut butter and jelly supplies.

More than just a collection of food, when you do a food drive with Crosslines, you're building a sense of community among your workplace, church, or interest group. You're also helping Crosslines bridge the gap between surplus goods and those who lack access to adequate nutrition.

Crosslines can set up your food drive to be just as unique as you are, with dates, deliveries, and locations all up for discussion.

If you or your group would like to become the newest CCO heroes, please contact us at nmortenson@ccoazarks.org for more information. (Capas not included.)
