LET'S DO A HYGIENE DRIVE!

Hello there, Hero!

Okay, so you may not be wearing a cape but there's no doubt in our minds that you can save the day for someone **today!**

Basic hygiene products should be available to anyone who needs them. Yet, so many in Springfield struggle to afford basic hygiene products like soap, shampoo, deodorant and toothpaste.

That's where you step in. We are collecting full-sized hygiene products like soap, shampoo, deodorant, toothpaste, and toilet paper. These items fly off of our pantry shelves as quickly as we can get them in. Sometimes meeting a need in your community means being more than just a food pantry. So yes, we want to provide food, but the need is much bigger than food alone. So thank you for helping us meet the **whole** need!

We can set up your hygiene drive to be just as unique as you are, with dates, deliveries, and locations all up for discussion.

If you or your group would like to become the newest heroes in my book, please reach out to me at nmortenson@ccozaaks.org for more information.
