LET'S DO A DIAPER DRIVE!

Hello there, Hero!

Okay, so you may not be wearing a cape but there's no doubt in our minds that you can save the day for someone **today!**

Diapers are as essential to a baby's healthy development as a mother's love. Keeping infants and toddlers clean, dry, and healthy is key to building a solid foundation for all children to reach their full potential. But one in three families in the Ozarks struggle to provide clean diapers for their baby.

That's where you come in! With over 1 million diapers distributed a year, we need your help to keep up the pace.

We can set up your diaper drive to be just as unique as you are, with dates, deliveries, and locations all up for discussion.

If you or your group would like to become the newest heroes in our book, please reach out to us at dbo@ccoazarks.org for more information.
